"THE SALMAGUNDI SPIRIT"

"Today's New Yorker, mounting the stairway between the gas-lamps, feels it as he enters the historic doorway. What lies behind that doorway is an essence, a flavor, subtle, unique...in a word "Salmagundian."

Here, in casual and formal evenings, come together the makers of art and the friends of art, bound by a mutual pleasure in the highest traditions of American painting and sculpture.

Salmagundi is first and foremost an artists' club, and Salmagundians are, for the most part, residents of New York. But members are to be found the length and breadth of the country, and as far away as London, Amsterdam, Toronto, and Lisbon. They represent every area of contemporary life, from the related fields of literature, music, drama, communications, to industry, finance, education, private business and government service.

At 47 Fifth Avenue, these variant worlds become one, blended in intellectual camaraderie, in simple relaxation ...in all the comfortable and stimulating club life at its most rewarding levels.

Year-round programs keep the Salmagundi exhibition galleries, the library, lounge and meeting rooms of the Club alive with activity for members, their friends and for the visiting public.
